

Miss Whitehouse

Miss Whitehouse can be found in Class 10, usually dressed in black and laughing at her own jokes as she thinks she's very funny.

This teacher prides herself on being a walking/talking Star Wars encyclopedia and she is obsessed with the F1 (Verstappen fan!).

When Miss Whitehouse isn't in her classroom, she loves travelling, drawing, reading and getting stuck in with all of her crafty projects.

Role at Oakham: Teacher

Years at Oakham: 11

Favourite subject at school: Art and English

Best thing about Oakham: The children
