

# Mr Mills

**Mr Mills likes to think he is a social butterfly, who spends his time out and about with his friends, exploring the world and going on adventures.**

**When really, he loves nothing more than curling up on the sofa, wrapped up in a fluffy hoodie, with a cup of tea in one hand and Jammy Dodger in the other, watching trash TV. Come Dine With Me is his favourite!**

**Role at Oakham: Year 5 Teacher**

**Favourite TV Show: Lost**

**Hobbies: 5-a-side football & weekends away**

**Best thing about Oakham: The unique characters that make each day different.**
