

Mrs Smith

Can be found having lots of fun in nursery garden with the boys and girls. Often being a 'chicken zombie' or something along the lines. I have been a teacher for 13 years and absolutely love it! In my spare time I can be found in Cornwall on the beach. Splashing in the sea with my 2 crazy children and my bonkers Cockerpoos. You will always see me with my hair in a bun, a bow in my hair and a smile on my face :)
