

Miss Stretton

This is me at my 13th birthday party. I had a Subuteo set as a present and my Mum made me a football cake. I love all sports but more as a spectator these days but still try to keep fit walking and swimming. Reading is another pleasurable past time of mine and I am obsessed by Tudor history. Over the last few years I have been researching my family tree and have discovered some fascinating ancestors who have made me the person I am today.
