16th October 2025

Dear Parents and Carers,

Halloween Activities

This week we have been reading the story 'Christopher Pumpkin' Our children are invested in Halloween and lots of children are using excellent communication and language in class to share their Halloween plans with us. We always lead with the interests of our children in Early years so are going to be having a Halloween themed party on **Wednesday 22nd October**.

Your child is invited to come into school in fancy dress. Please can you make sure they are labelled as some children may have the same costumes and decide to take them off throughout the morning.

If you do not have a costume for your child, we are not asking you to go out and buy one. We have some in school so if you let us know in advance, we can find one for you. If you do not wish to dress up in a Halloween costume, please bring your child to school in party clothes.

Please ensure no weapons are brought into school – no pretend axes, swords etc.

As part of our Halloween activities we will be having a disco, making some scary Halloween bites, jelly digging, creating potions and having a trick or treat treasure hunt.

We have discussed with the children about our Halloween being imaginative and make believe. The children have shown a real interest in Halloween and are so excited for next week.

If your child is in afternoon nursery, we require them to come for a morning session on that day, more information about timings will be sent to you via text.

As always thanks for your ongoing support.

EYFS team.
