1<sup>st</sup> July 2025

Dear Parents and Carers,

## Edgmond Hall Residential

Just a quick reminder about a few details ready for Edgmond Hall next Wednesday.

Please arrive at normal school time (8:40am) via the school hall entrance. We will be aiming to leave around 9:15am.

If you have any medication that needs to be given to us, please go straight into the school dining hall as a form will need to be completed.

Children attending the trip are to wear their own clothes on Wednesday and will require a packed lunch. No snacks are to be brought on the residential as the children are provided with everything they need when they are there and we need to be mindful of allergies. Children will however, need to bring their own water bottle.

No spending money is needed during our time at Edgmond. If children have a disposable camera they wish to bring they can, however it is not a requirement. These will need to be named and will be collected in each day before bedtime. No digital items are allowed on our trip, including mobile phones, cameras and tablets. Children can bring a comfort item (such as a teddy) from home if required and the children will be responsible for looking after it.

On our website, you will find our Edgmond Hall information pack where many of your questions may be answered.

**If you do have any further questions about our upcoming trip, we are holding a short drop in session after school in the hall from 3:40-4pm on Friday 4<sup>th</sup> July 2025.**

Children who are not going to Edgmond, will need to go through the usual year 2 entrance at 8:40am and bring their packed lunches/order school dinners as normal. They will be completing a range of activities and projects in their classrooms during these days. They will also be picked up from the same year 2 spot on the playground at the end of the day.

Kind regards,

Year 2 Team
