Monday 8<sup>th</sup> June 2026

Dear Parents and Carers,

Please be advised that access to the Nursery will need to be altered until further notice due to building works that are taking place.

The school is responsible for ensuring the safety of all users of our site, and as remedial work is required, we have been forced to make some slight changes to the usual drop-off and collection arrangements for our nursery children.

Access to the nursery at the start of the school day will remain via Darbys Hill and the main KS1 playground gates only (West Avenue can still be used to access the site but you will need to walk across the key stage 2 playground).

Morning nursery children will need to be collected via West Avenue and through the rear green gates by the garage and rear car park. These gates will be open at **11:30am** and children will be ready for collection via the first fire exit ramp.

Afternoon nursery children will need to be dropped off via West Avenue and through the rear green gates by the garage and rear car park. These gates will be open at **12:35pm** with children dropped off via the first fire exit ramp.

End of the school day collection will remain via Darbys Hill and the main KS1 playground gates only (West Avenue can still be used to access the site but you will need to walk across the key stage 2 playground).

**These arrangements will begin on MONDAY 8<sup>TH</sup> JUNE.**

We apologise for any inconvenience this may cause and thank you, in advance, for your co-operation.

Yours sincerely,

Mr N. Skett

Head Teacher
