Dear Parents and Carers,

LEGOLAND TRIP – Thursday 11th June

Our Reception Summer visit to Legoland is this week!

Included below is a timetable for the day and notes for your information.

7.15 a.m.	Arrival at school (children and accompanying parents to meet in school – access via Darby's Hill Road. Register with your child's class teacher, use toilet facilities then board your nominated coach as soon as they are there).
7.30 a.m.	Set off no later than this time. The coach will not wait for people who are late.
10.30 a.m.	Arrive Legoland Windsor
5.15p.m.	Leave Legoland Windsor
7.30 p.m.	Arrive back at Oakham approximately

If you are accompanying your child on the trip there are plenty of different food outlets where you can buy prepared food for your day, please be aware that most of the kiosks are cashless and only card payment is available. Alternatively, you may prefer to provide your own picnic. If your child is travelling with school staff, we would ask please if you could provide plenty of drinks, a small lunch and tea. (The tea can be left on the coach.) Could all food be wrapped in cling film or foil and put in two separate carrier bags clearly labelled with your child's name. The purpose of this is that anything left can be thrown away and children will not have to carry round food or containers all day.

We do not plan to stop at services on the way there or on the way back. If there is a toilet on the coach this can only be used in an emergency so, please make sure children do not have many drinks in the morning and use toilets in school before they board coaches. The coach company can't guarantee that there will be a working toilet on the coaches.

It will not be necessary for unaccompanied children to bring any money, but if you would like them to have an ice-cream please put £4 (in change) in a money bag with your child's name on, please give it to your child's allocated teacher for safekeeping.

Children do not need to come in school uniform, comfortable loose clothing suitable for the weather is recommended with an extra cardigan or sweatshirt/raincoat should the weather be cold or wet. If the weather is hot, you may wish to include a sunhat and apply high factor sun protection cream. Some of the attractions at Legoland involve water and your child may get wet. We would ask you to include a swimming costume for the children to wear to splash about in water fountains and a towel to dry off afterwards. For children travelling with Oakham staff please pack this into a small backpack for ease of carrying. Again, on arrival

back to school, the coaches will park in the lay by in Darby's Hill Road and the children will be dismissed from there if an adult is present.

If you know that your child is travel sick, could you please take appropriate measures by giving them a travel sickness tablet at the correct time before we leave. Could you also come into school the day before the trip and give Mrs Taylor (Class 3) your child's travel sickness tablet, clearly labelled, for the return journey. If your child has an inhaler, please make sure that you have it for them on the day. Children who are travelling unaccompanied, school staff will have theirs with them.

If you are making your own way there you will have been given your tickets and do not need to adhere to any of the timings in this letter. We hope to see you around on the day, but you are welcome to arrive and leave when you please and just to enjoy your day out with your children.

If you have, any problems or queries about the trip please feel free to contact us at school.

Yours sincerely

The Foundation Stage Team.
