

OAKHAM PRIMARY SCHOOL

RECEPTION TO YEAR 1 TRANSITION MEETING

2026-2027

OAKHAM PRIMARY

OUR GOALS

What is really important to us, is that we have happy, confident children who have a love for learning.

Some learning goals we will work on throughout the year are based on our Oakham Learner Qualities:

Investment

Reflection

Curiosity

Imagination

Links and Patterns

Communication

Organisation

Collaboration

We will focus sessions on these qualities throughout the first half term and will refer to them throughout their journey at Oakham.

YEAR 1 TEAM

Class 4 — Mrs Robson

Class 5 — Miss Ross

KSI Assistant Head:

Miss Haselock

DROPPING OFF AND COLLECTION

- Children will need to enter school through the outdoor doors to Class 4 and Class 5.
- The classroom doors will open at 8:40am, please stay on the Key Stage One playground until this time.
- At the end of the day, children will be collected from the Key Stage One playground. The green gates will be opened when all of the children are outside ready to be collected. For the safety of the children, they are to wait until their name has been called by the teacher so they can be dismissed.

NATIONAL CURRICULUM

- Key Stage 1 is very different from the Foundation Stage. (Children may feel like they are going from Disneyland Paris to boot camp!)
- This year, we are going to be trialling a more gradual transition into the formal national curriculum to ensure children maintain the love of learning they have developed during their time in Early Years.
- In the morning we will cover the subjects; Maths, English, Phonics and Spelling, as well as a weekly Guided Reading session.
- By the end of the school year, children will have covered aspects: History, Geography, Science, PSHE, PE, RE, Computing, Art and Music, as well as DT Focus Weeks.
- The day is structured and we will follow a set timetable.

Break Times

- We do provide a healthy snack for break times usually fruit.
- Children are able to bring in their own snack for break times with a healthy focus.
- Children are to bring a water bottle labelled for a drink throughout the day.

AUTUMN TERM – CONTINUATION OF CHILD-INITIATED LEARNING SESSIONS

- Until October half term, Year 1 will be joining Early Years each Tuesday afternoon for their Child-initiated Learning session.
- This will be organised in the same way as it has been this year- with children being given the chance to choose from activities in Class 2, Class 3, Nursery and the outdoor area.
- Children in Year 1 will need wellies and waterproofs and these will need to be in a named bag.
- As this is currently only planned for the first half term, please do not feel obliged to buy new wellies or waterproofs. If your child has outgrown their set, they will still be able to participate in many of the activities!

PE KITS

- Year One's PE days are Tuesdays and Thursdays. Children will continue to come into school on these days in their PE kit as this has been beneficial.

Indoor Kit

- White top
- Navy shorts
- P.E Pumps
- Optional Oakham P.E top

Outdoor Kit

- White top
- Navy tracksuit bottoms
- Navy Tracksuit top
- Trainers (Velcro if possible)

- We have plenty of spare PE kit in school so children may be asked to change if they do not come to school in our school PE kit.

READING IN KEY STAGE 1

- Reading is an essential part of children's development.
- Children will take two books home, which they will change weekly. One will be based on the phonics phase and sound they are on and the other is a 'Reading for Pleasure' book of their choice. Please ensure that their reading diaries are completed weekly, acknowledging that you have heard your child read.

PHONICS SCREENING CHECK

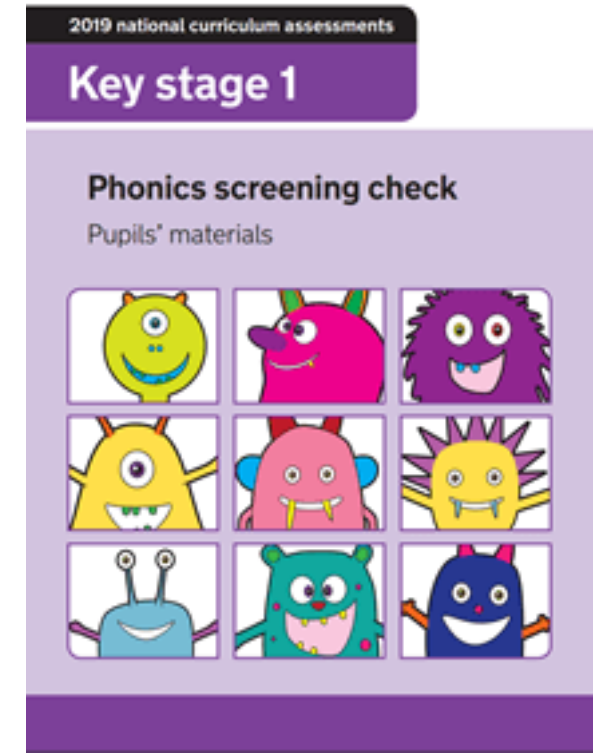

In June 2027, all children in Year 1 will take the Phonics Screening Check.

The phonics screening check assesses children on how well they can decode certain words. Decoding means sounding out an unfamiliar written word. To do this, children will need to be able to recognise letters and the sounds that they represent.

We do lots of practice in school and children will be well prepared. This is a challenge that our children usually thrive on.

In the Spring term, we will send out Phonics Screening packs for you to assist your child further at home.

HOW YOU WILL BE KEPT INFORMED

Home school communication is vital to ensuring your child is happy and safe in school, so please do keep us informed about anything you think we may need to know.

There are several ways that information will be shared and that you can share information with us:

- Staff will be available on the door from 8:40 when you are dropping your child into school.
- Phoning or emailing the school office.
- The school app will have important whole-school information.
- Staff will pass on any important messages at the end of the school day (please be aware that we may have to ask you to wait until all other children have been dismissed so we can give you our full attention).
- We will have 2 formal parents evening and 2 drop-in sessions during the school year where information about your child's academic progress will be shared.

REWARDS AND SANCTIONS

As part of our behaviour policy we are continuously encouraging positive behaviour and reward in the following ways.

- Verbal praise
- Establishing individual schemes that rewards positive attitudes in the children's learning and behaviour e.g. stickers, stamps, certificates
- Sharing achievement with another teacher and class
- Assemblies e.g. star of the week, writer of the week, PE hero

We also use Dojo Points in Key Stage One. Children will receive these for positive behaviour.

Children will also be sorted into a school 'house'. These are Vikings, Romans, Saxons and Britons.

At the end of each term, the house with the most Dojo Points collectively will be rewarded with a prize. This year these have included a visit from an 'Animal Lady', a performance from 'Dippy the Clown' and a bouncy castle.

At times when we need to use sanctions we use the 'fuss pot.' This is an immediate sanction which allows for the children to rectify their chosen behaviour and choose to do the right thing.

PLEASE REMEMBER TO...

- Encourage your child to become more independent.
- Check book bags every day.
- Bring reading books in everyday and sign the reading record.
- Complete home learning activities.
- Always bring a coat for going outside.
- Ensure ALL items of clothing are labelled.
- Bring a water bottle for children to drink throughout the day.
- Attend our Parents Evenings – one in Autumn term and one in Spring term.
